MOTE MARINE LABORATORY & AQUARIUM

Mote Homeschool Days

Join us each month during the school year for Mote Homeschool Days.
Students and chaperones enjoy exciting ocean themed classroom, laboratory, and field experiences led by Mote's professional marine science educators.

2019 SPRING CLASSES

Note New Times

Times: 10:00-12:30

Cost: $20 for Mote members; $26 for non-members

Mote Aquarium and Goldstein Marine Mammal Center admission is included.
Price represents student plus one free chaperone per family (required).
Younger siblings are permitted to attend the **Family Class** free of charge but would require purchase of Mote Aquarium tickets separately if you choose to explore after class.
Younger siblings are not permitted to the 6-9 or 10-14 class.
