*NOTE: New this year, our camps will now depart from Mote Aquarium on **Sunday** and return back to Sarasota on Friday.*

Summer 2019

Camp Themes & Descriptions

Discovering the Florida Keys (Entering 6th - 8th grade)

Travel to the Florida Keys with Mote Marine Laboratory for an incredible week of marine exploration. Campers will stay at Mote's new state of the art lab and get hands-on experience with real science. They will explore Florida Keys, snorkel at Looe Key Reef, investigate tide pools, and enjoy kayak excursions. The highlight of the week is an all-day boat excursion to Dry Tortugas National Park. Mote provides round trip ground transportation from Sarasota, field trip transportation in the Keys, lodging, food, and safety gear. Come discover the wonders of the Florida Keys!

This is a snorkeling camp only; no SCUBA is available.

Times: Sunday morning - Friday evening

Price: \$1300 non-members/ \$1200 members

SWIMMING SKILLS ARE REQUIRED.

Ecology of the Florida Keys (Entering 9th - 12th grade)

Explore the marine life in the Florida Keys! Join Mote Marine Laboratory for a week long expedition in the Keys. Campers will stay at Mote's new state of the art lab and get hands-on experience with real science as they explore the wonders of the Keys. This program will include snorkel and dive excursions at Looe Key, tide pool walks, a fishing trip, and a kayak excursion. The highlight of the week is our coral outplanting excursion with Coral Restoration Foundation. Mote provides round trip ground transportation from Sarasota, field trip transportation in the Keys, lodging, food, and safety gear. Come spend the week and help make the ocean a better place!

SCUBA optional for certified divers. Campers must have dive cards during week of camp.

Times: Sunday morning - Friday evening

Price: \$1300 non-members/ \$1200 members

SCUBA Fee: \$100

SWIMMING SKILLS ARE REQUIRED.
